Yak Yacker · yakyacker.com

How to print these flashcards

1. In your printer dialog, choose Print on both sides / Duplex.
2. Set flip on the LONG edge (portrait / top binding).
3. Print the whole PDF in order — each front page is followed by its matching back page on the next sheet side.
4. Optional: print the cover page single-sided if your printer offers it.
5. Cut along the card borders.
